Fermentation Stainless Steel

Bottling Date First Bottling August 2021

Residual Sugar NA

Alcohol 13.5%

Cases Produced: 180,000

Suggested Retail: \$11.99

Wine Profile

Winemaker Notes

Dark garnet in color with a bouquet that is full of dark berry fruit, such as Blueberry, Blackberry and Black Cherry. Oak aging has contributed just a hint of smoke to the nose. The round, creamy wine delivers an abundance of the fruit flavors promised by the olfactory. The fruit and oak are well integrated and the complexity of the wine plays on the tongue long after the wine has been ingested.

Production

The fruit for our 2020 Cabernet was harvested during the month of September, 2020 with an average Brix of 26.8. After 7-9 days of fermentation on the skins, the resulting wine was pressed and finished fermentation in Stainless Steel tanks. The wine was then aged on new and used French and American Oak for 4-6 months.
